HADARONDAH

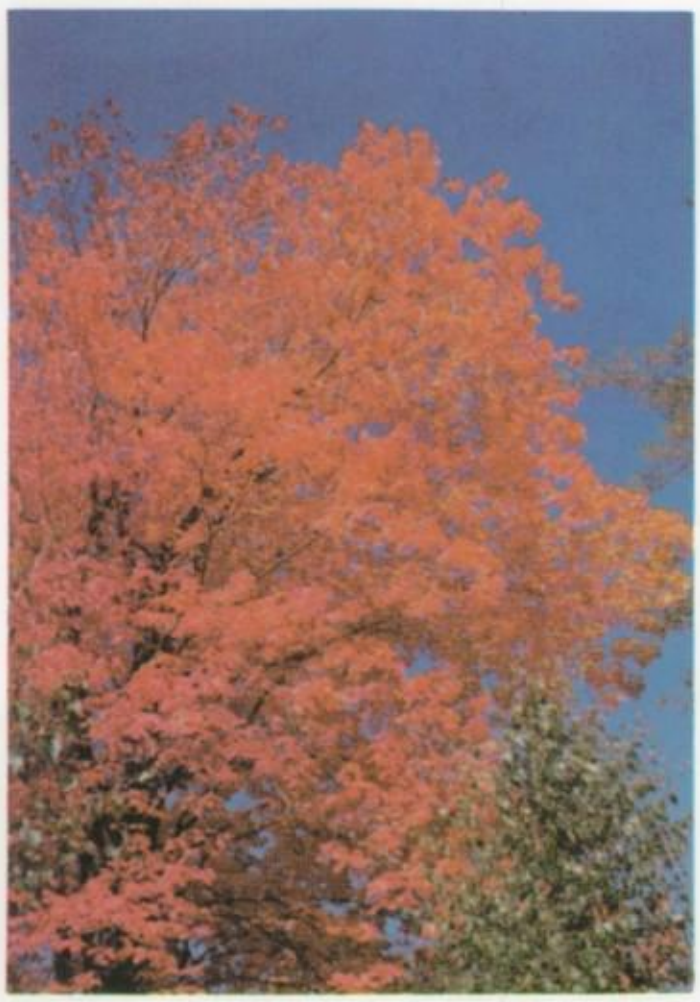
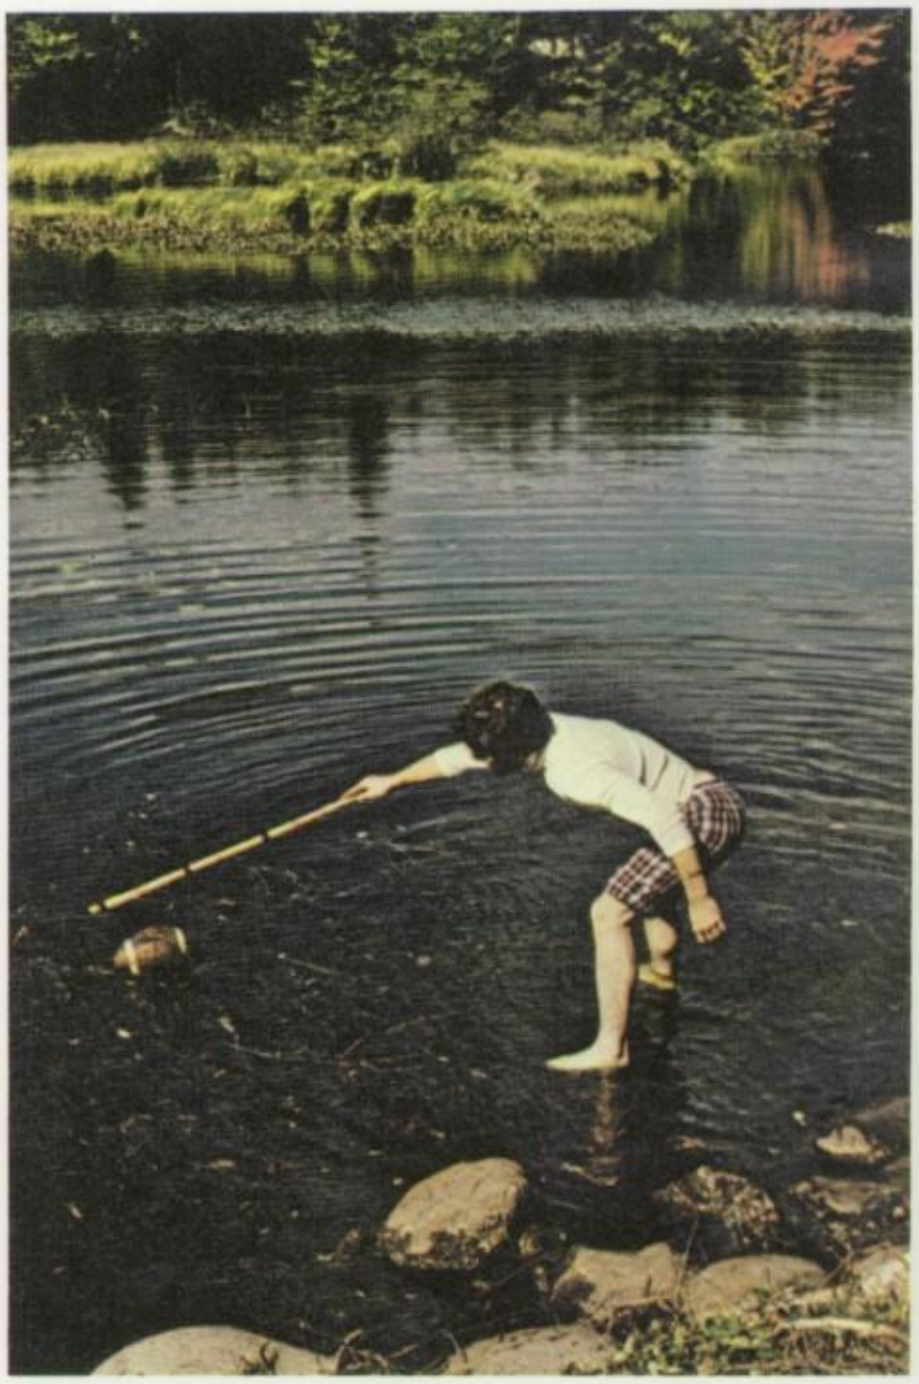
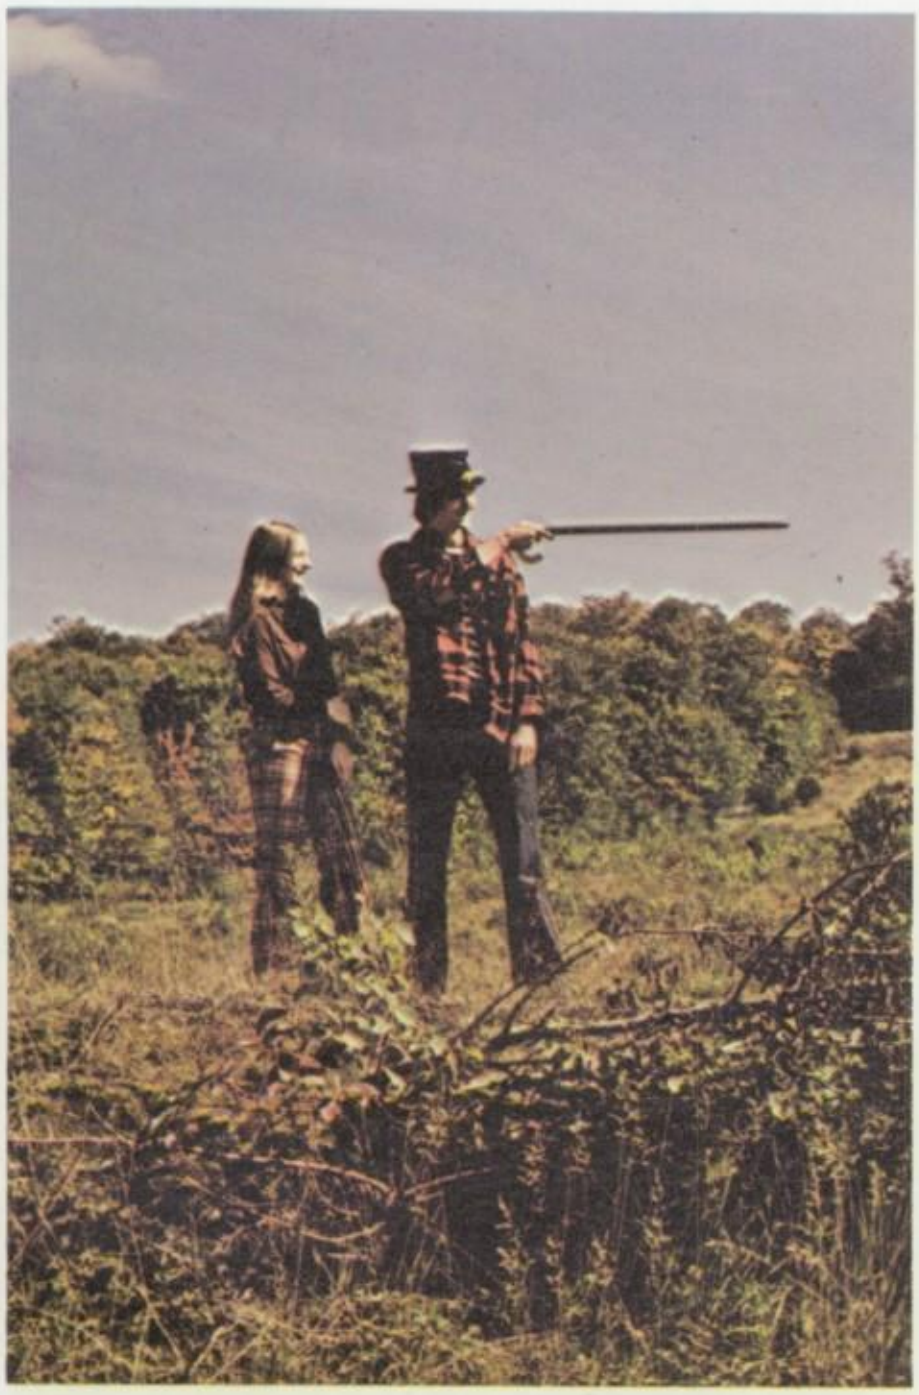
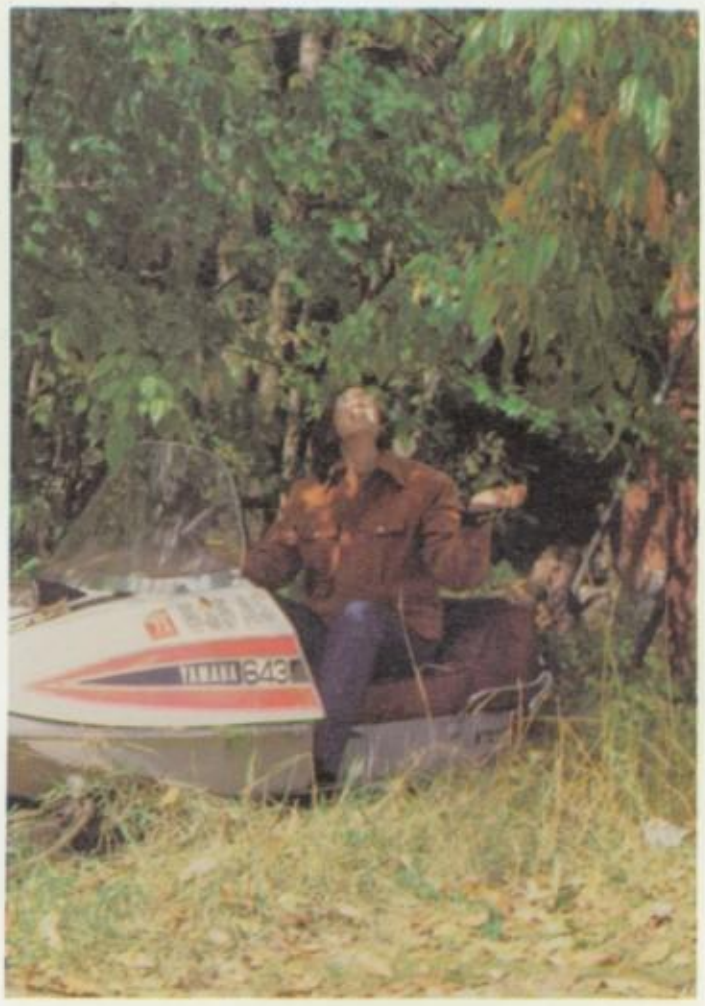
. . . 1975

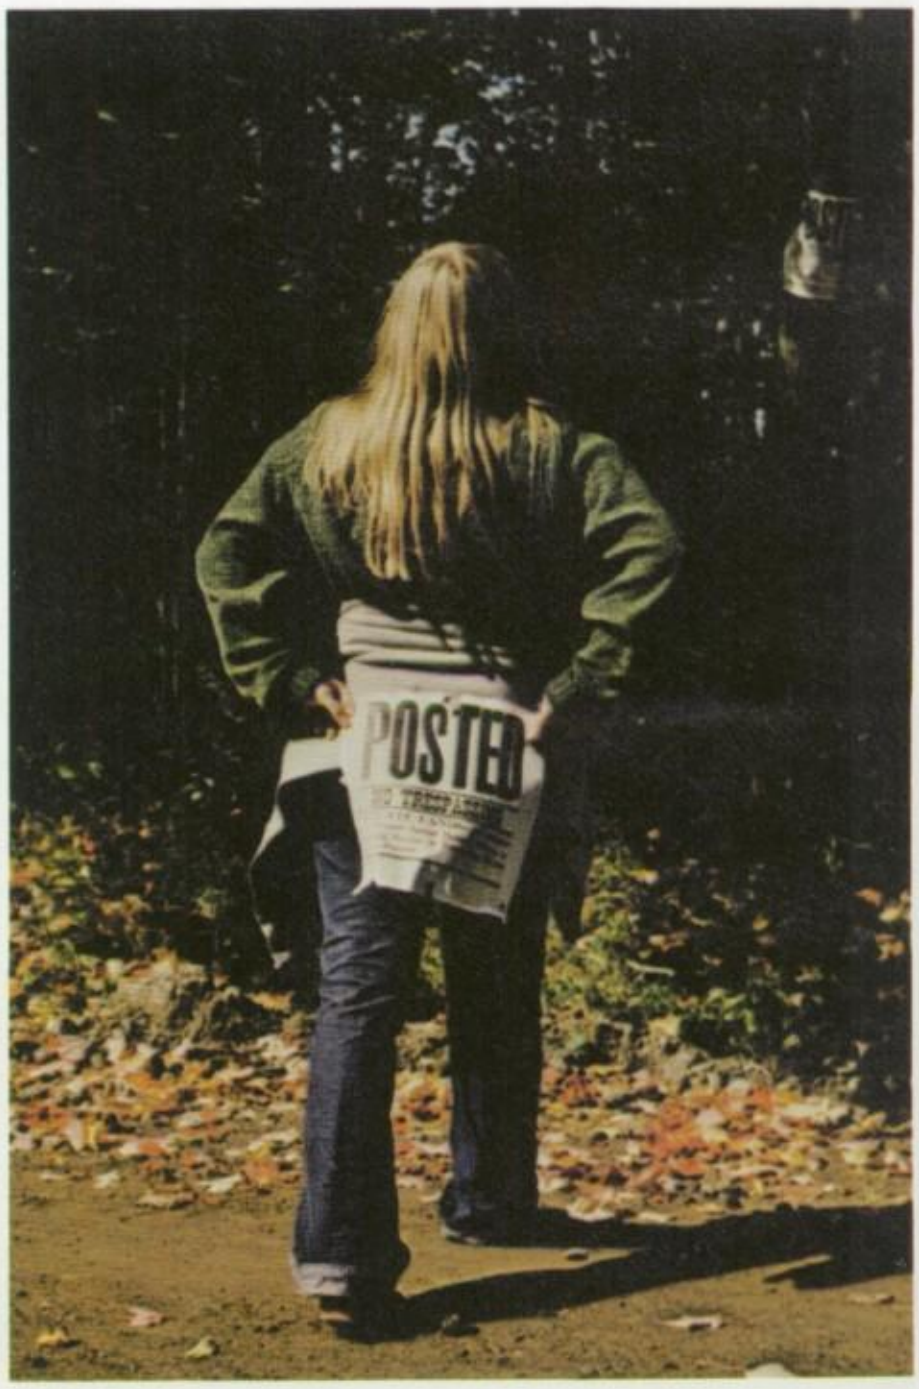


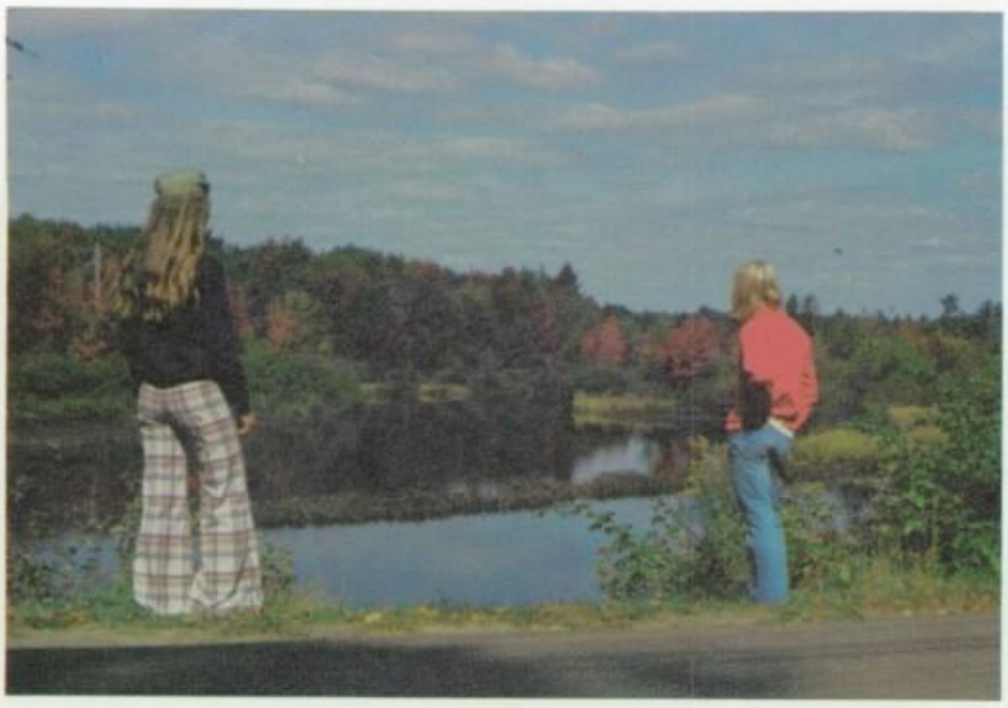


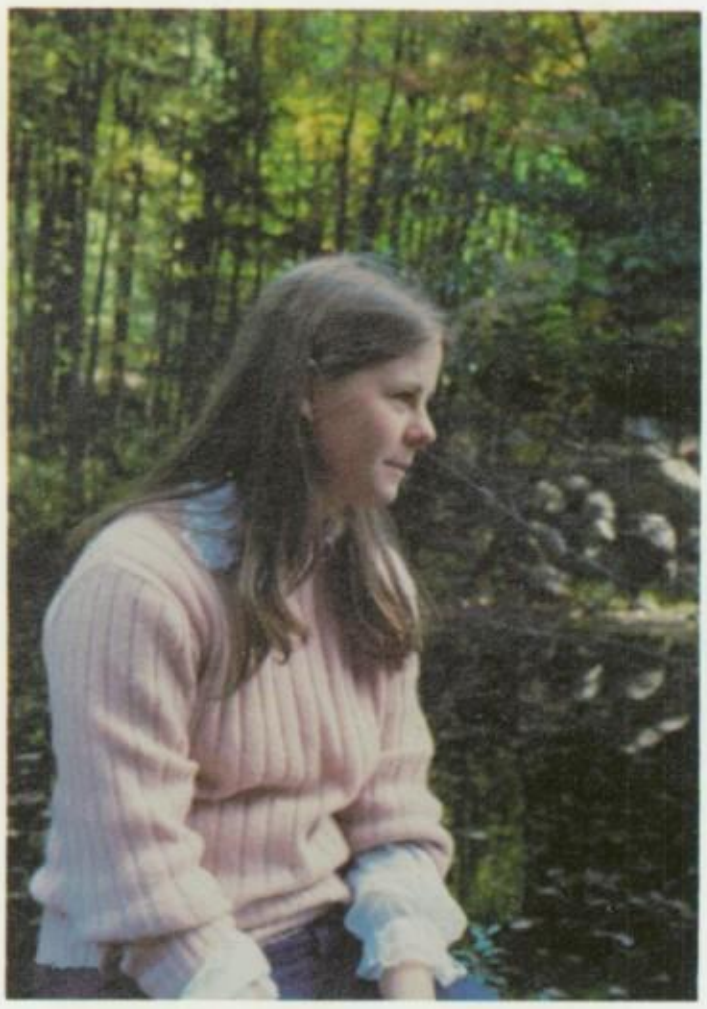




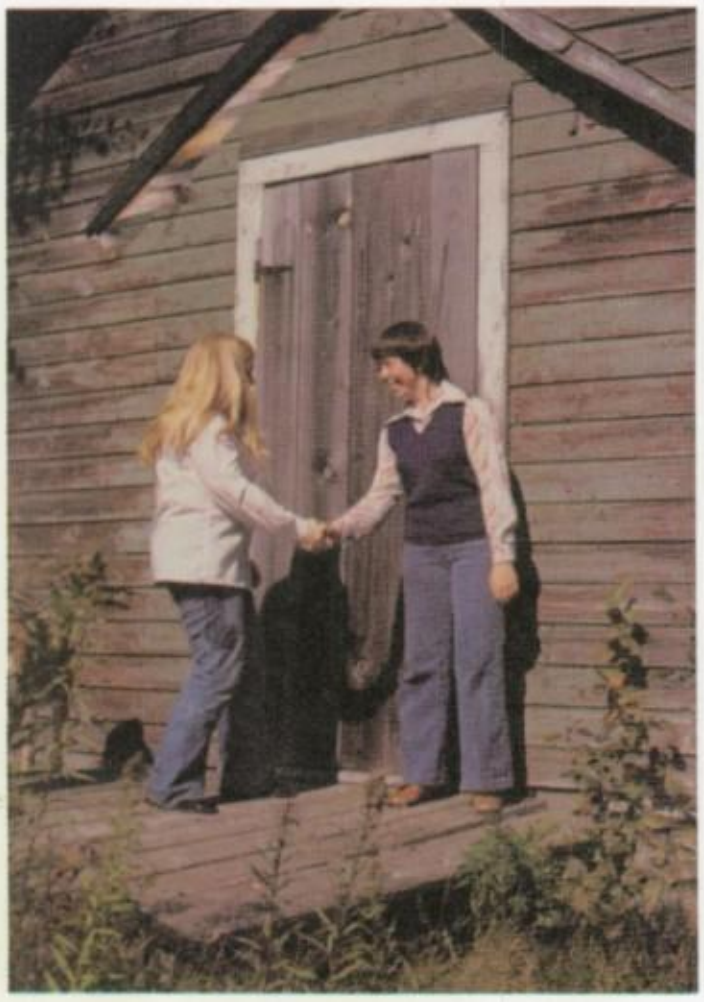
For this
is the age
that was . . .

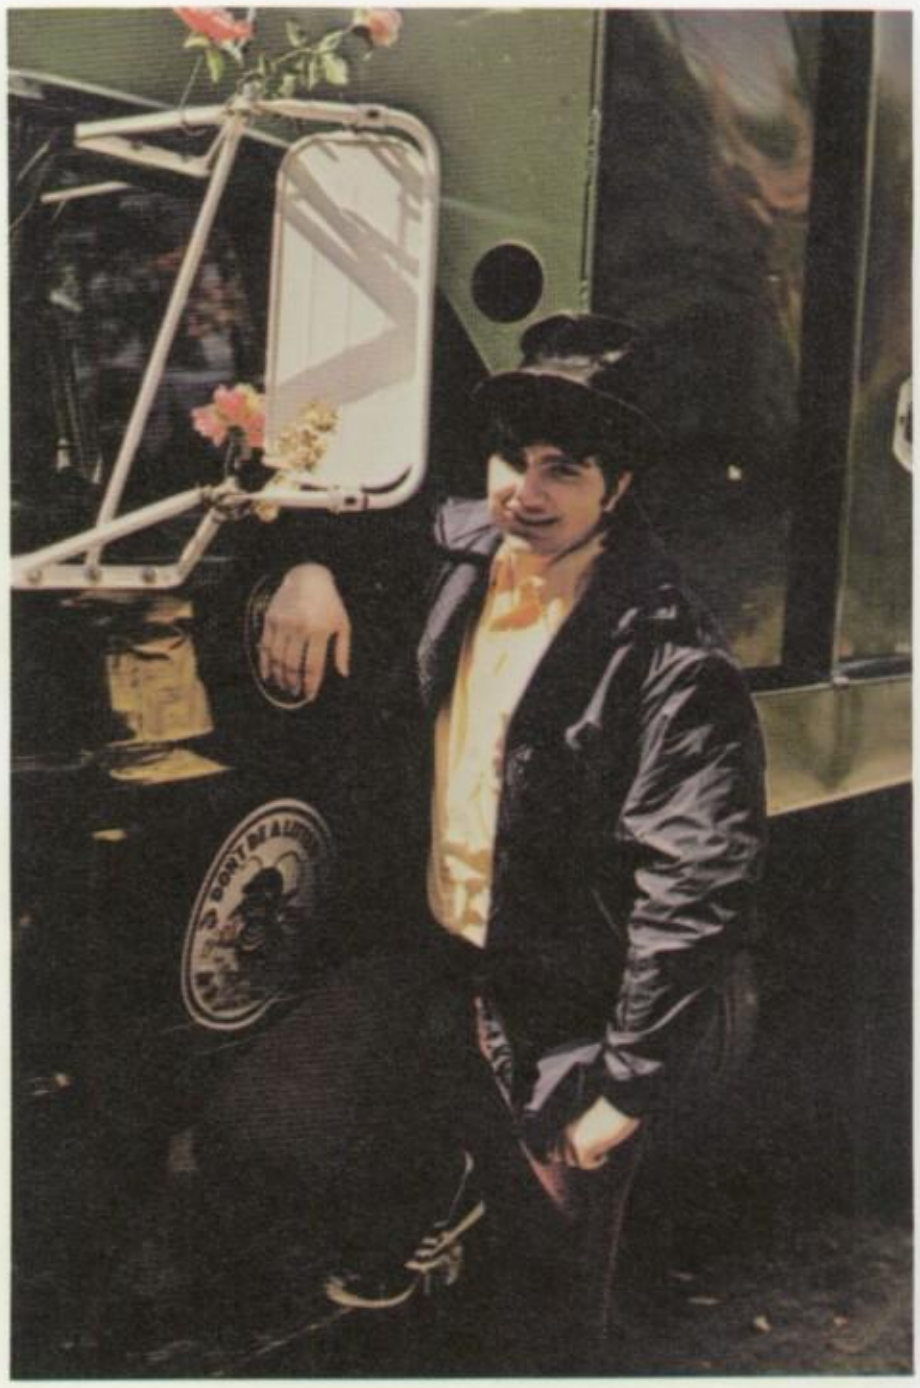


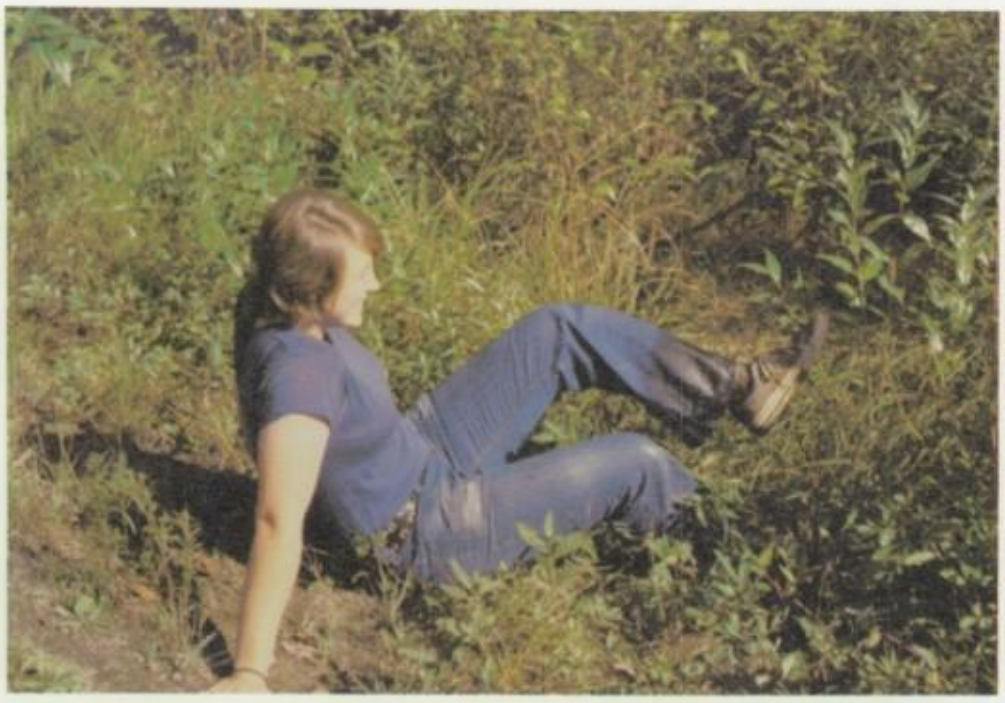




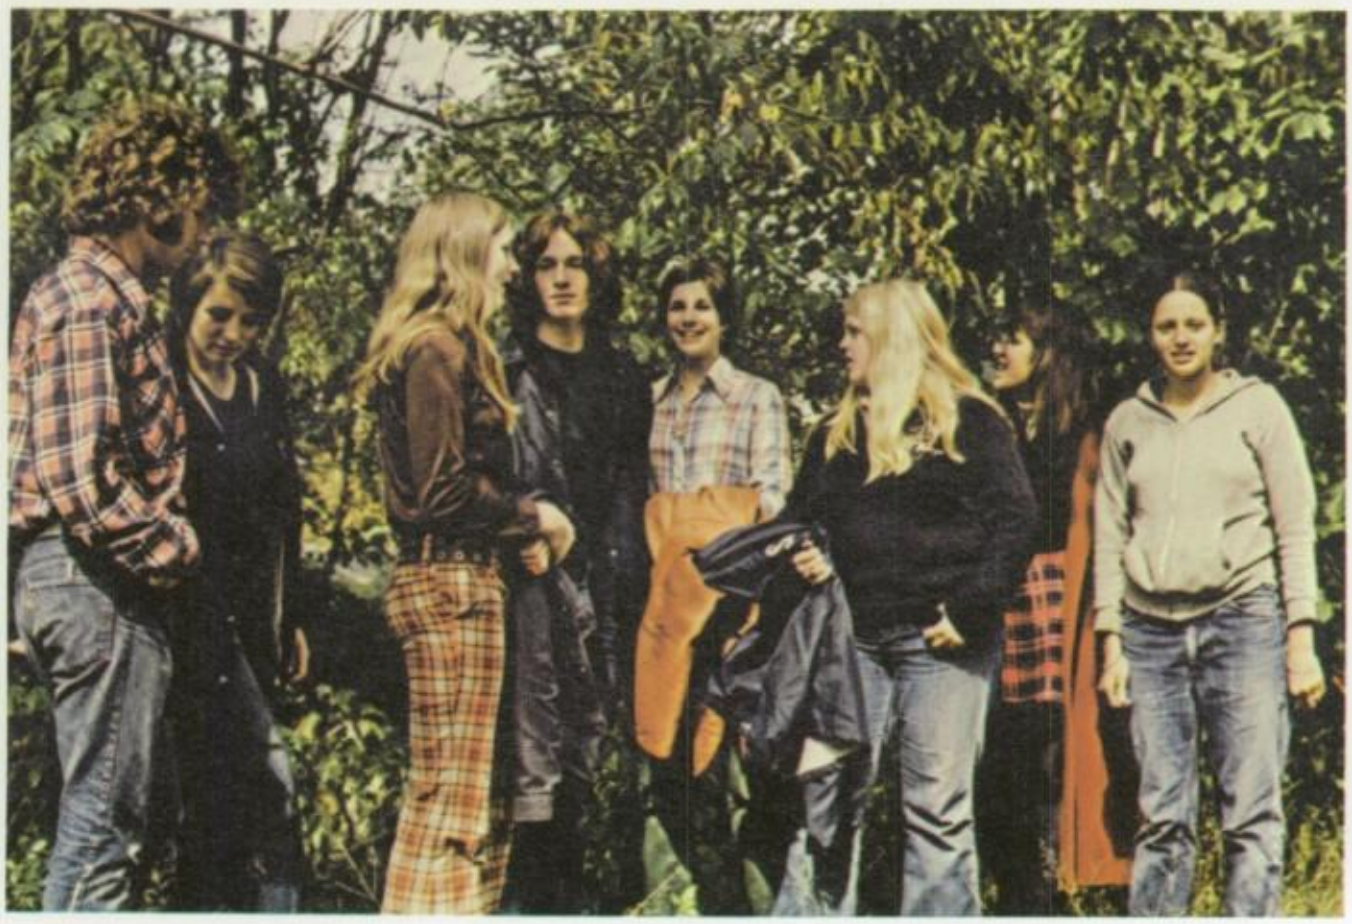
And never again
can be

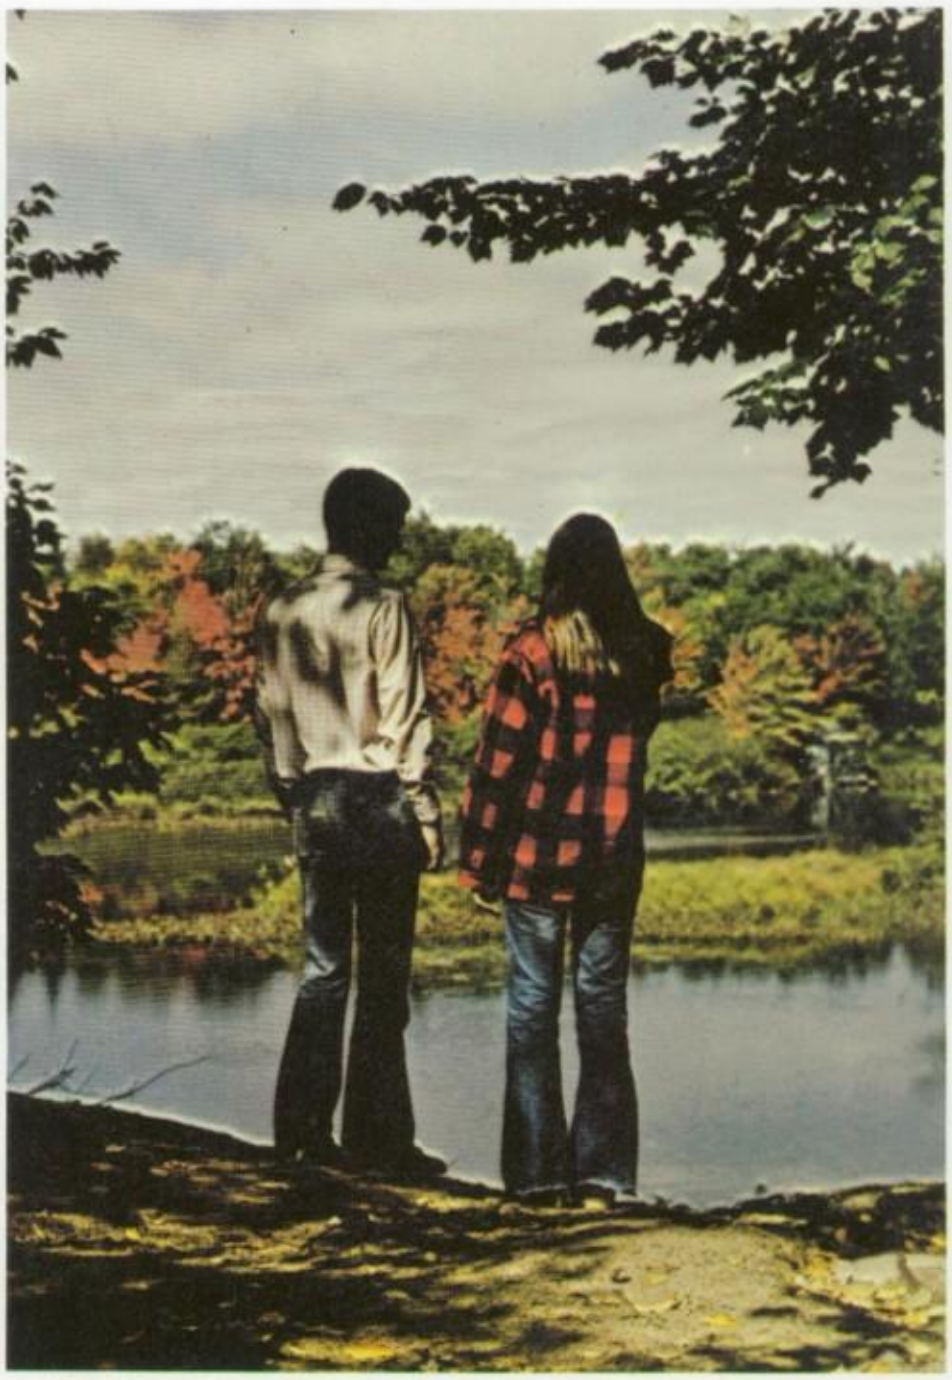




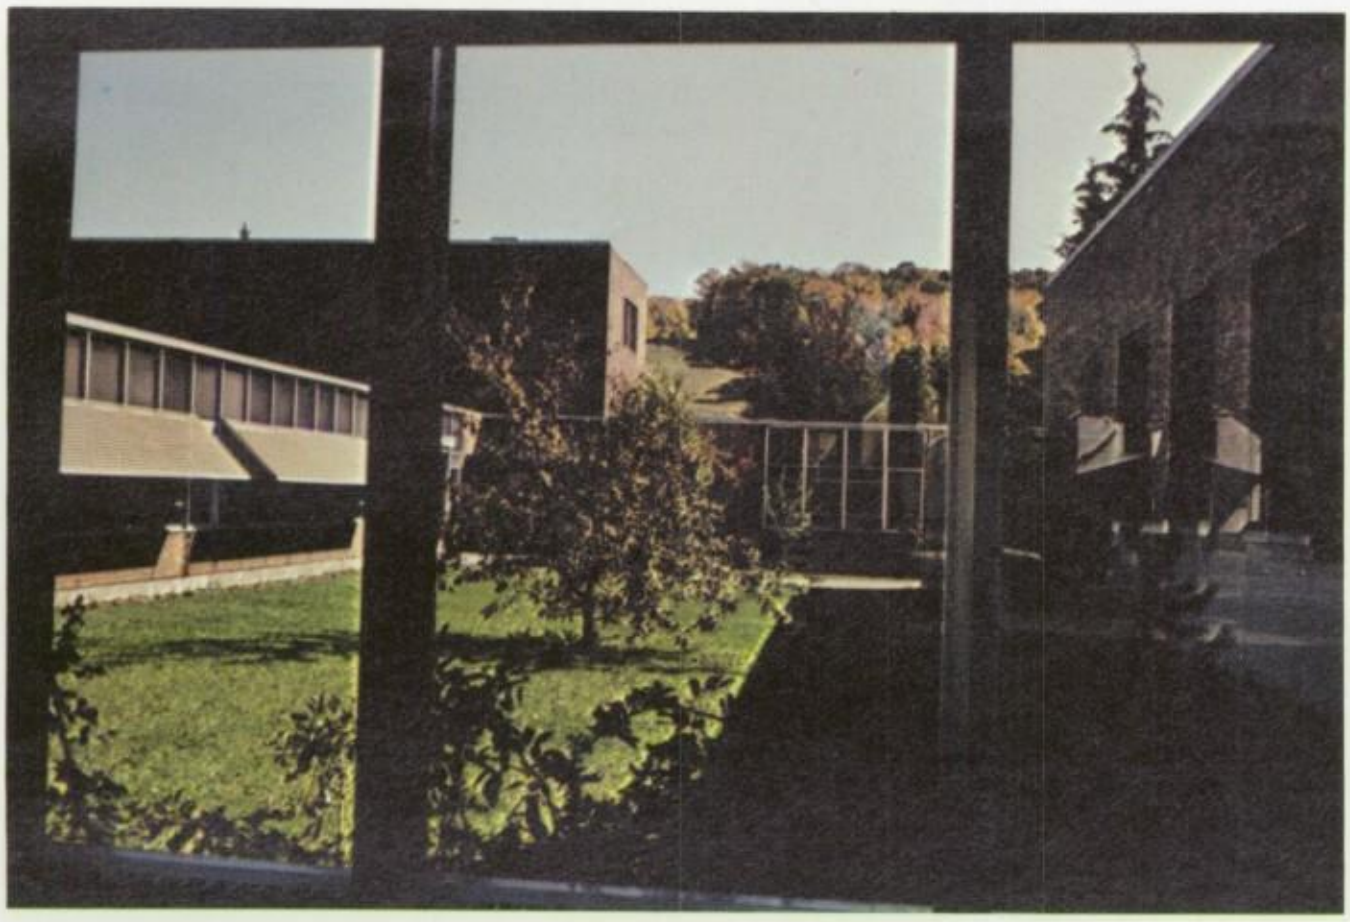


CAMP
BUNNY

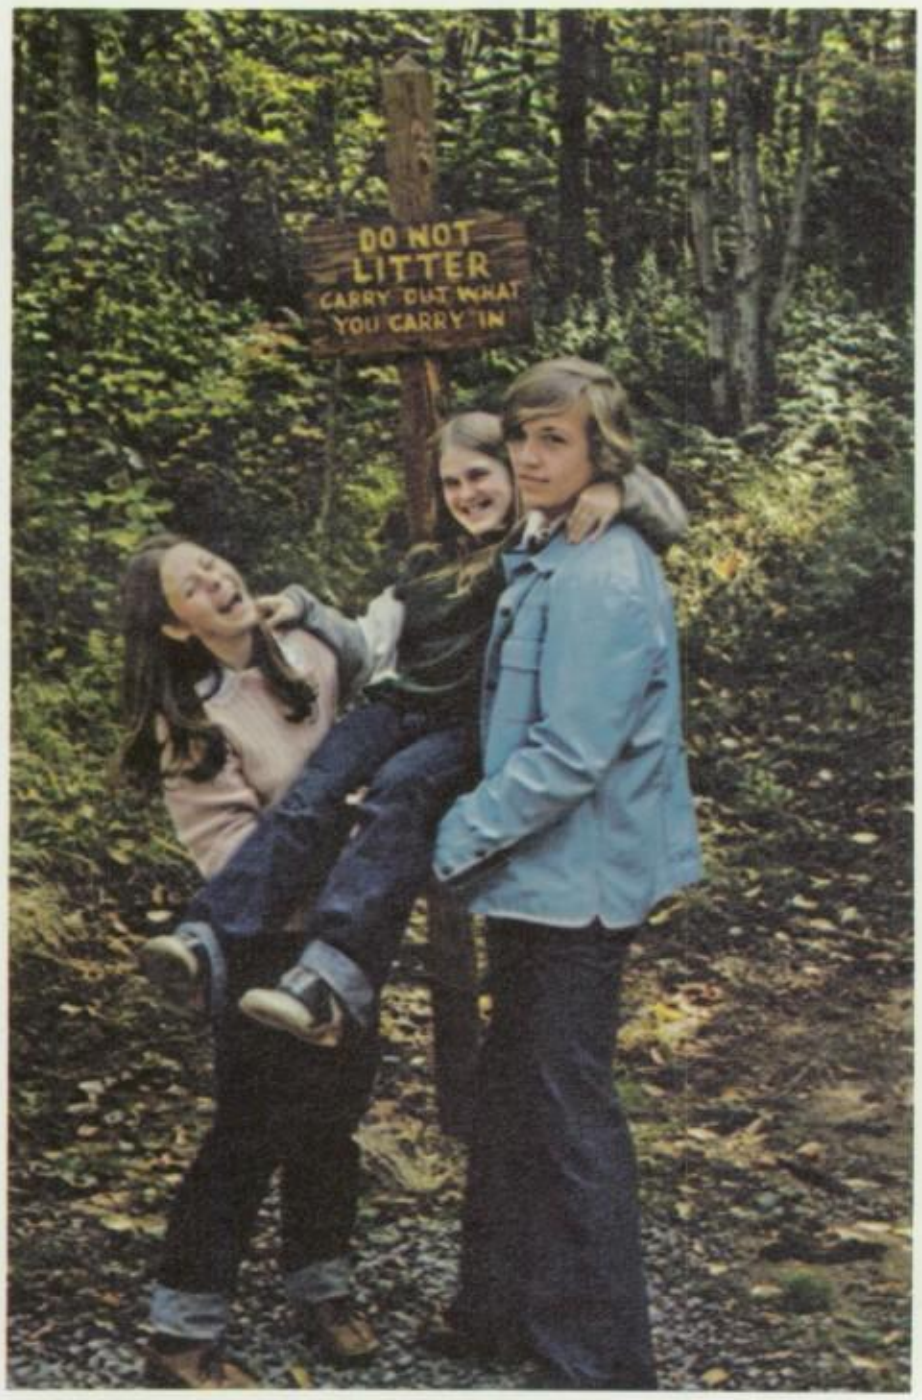




And of
all places . . .
in all times

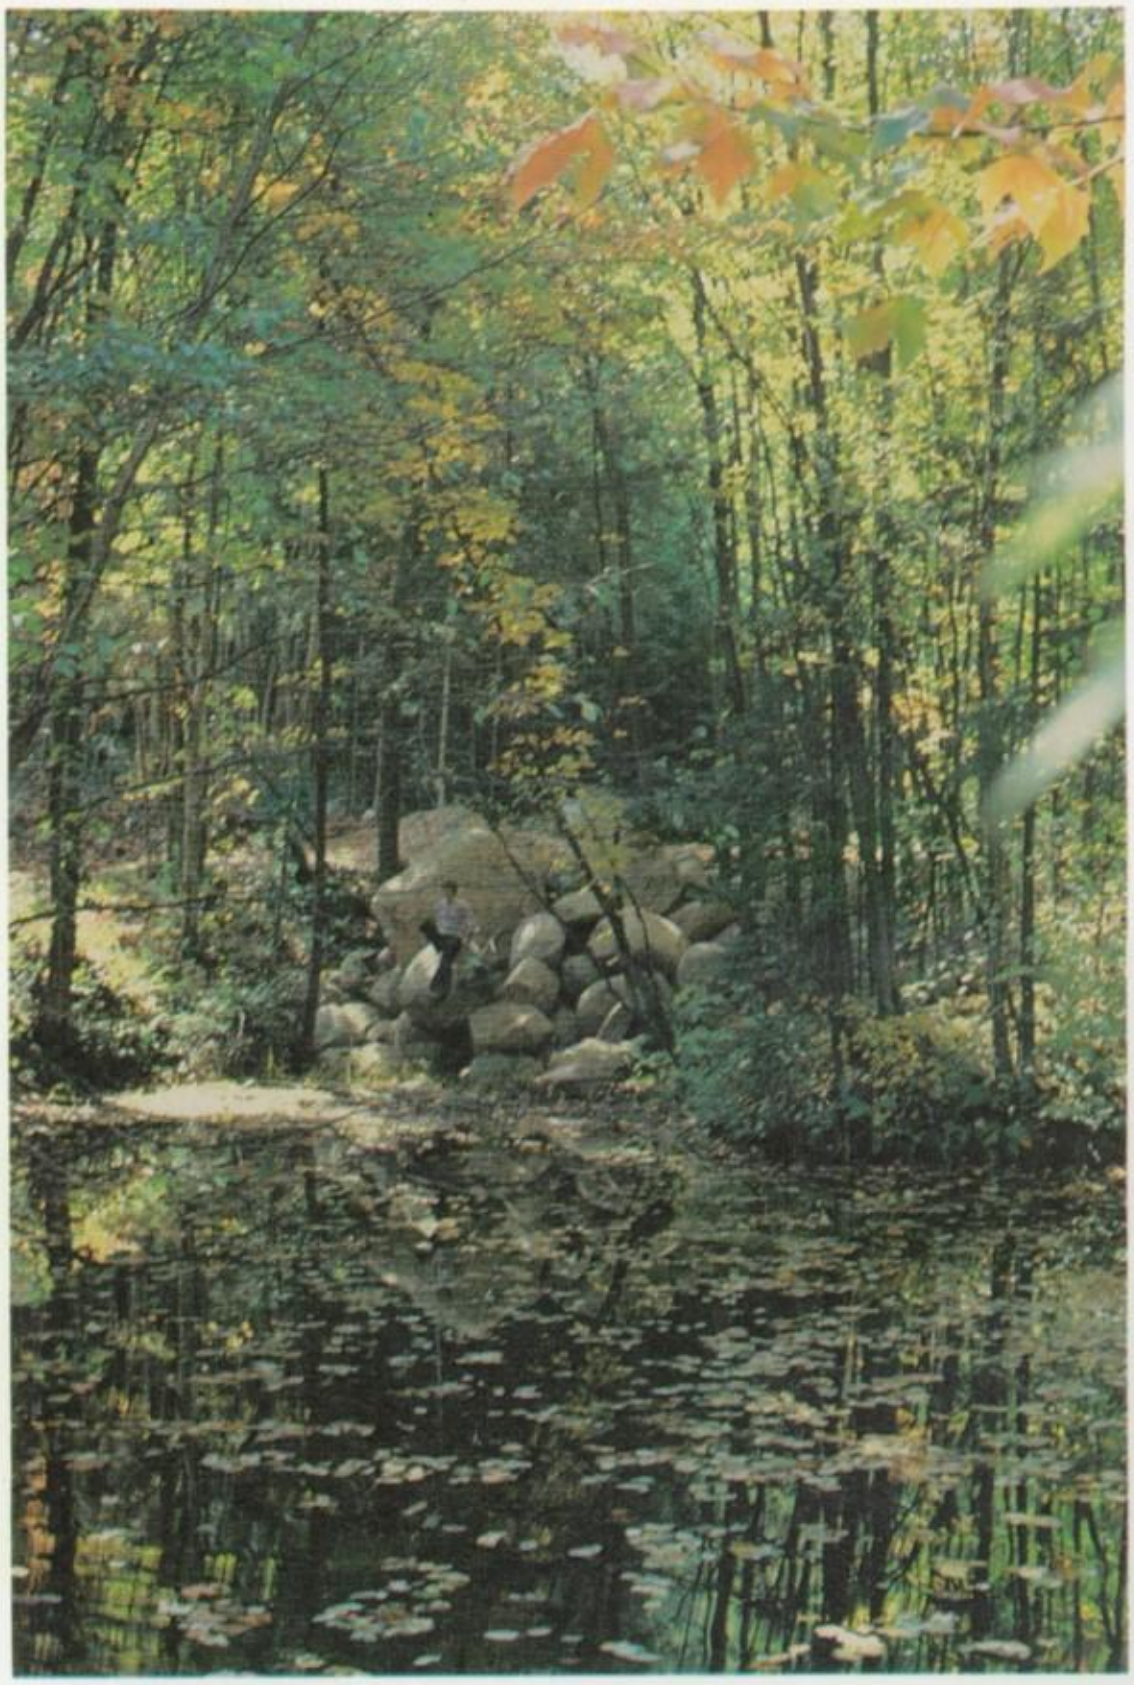


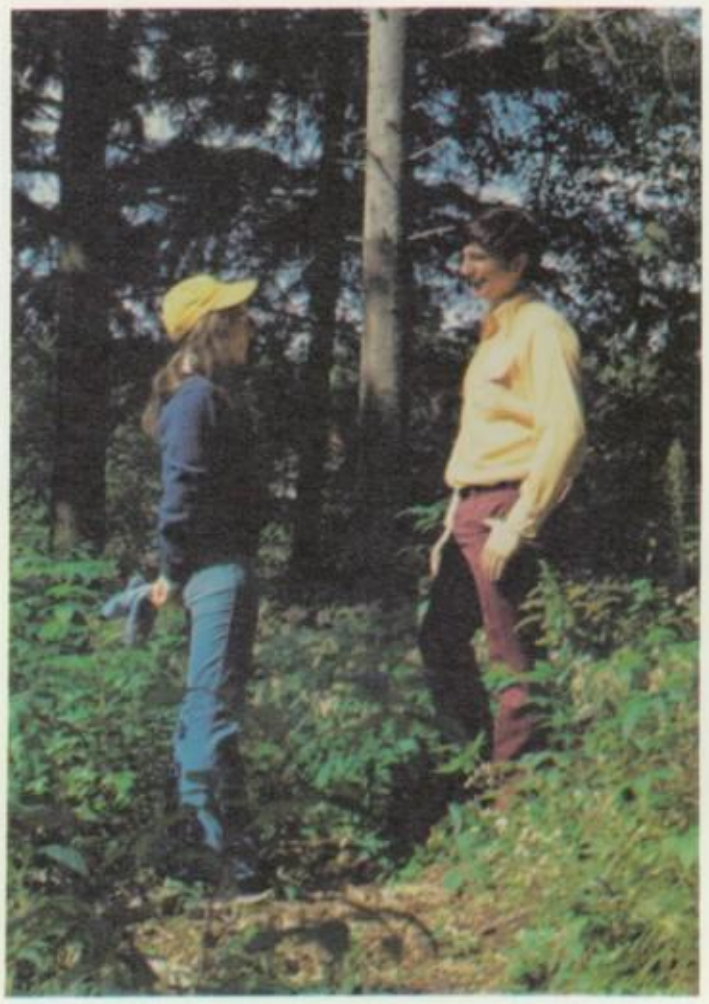
This was
the time



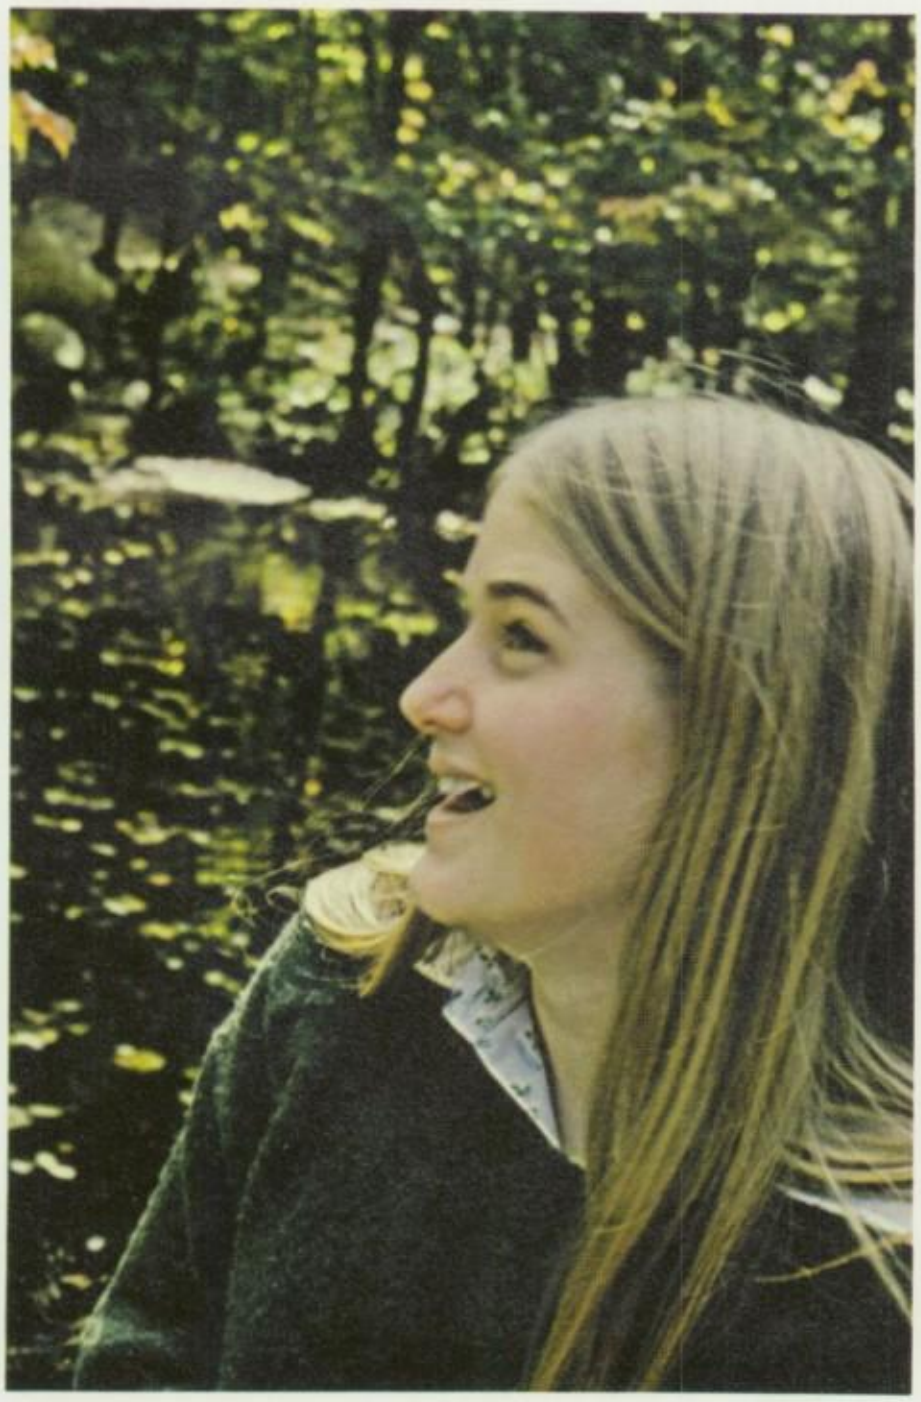
And the place for me

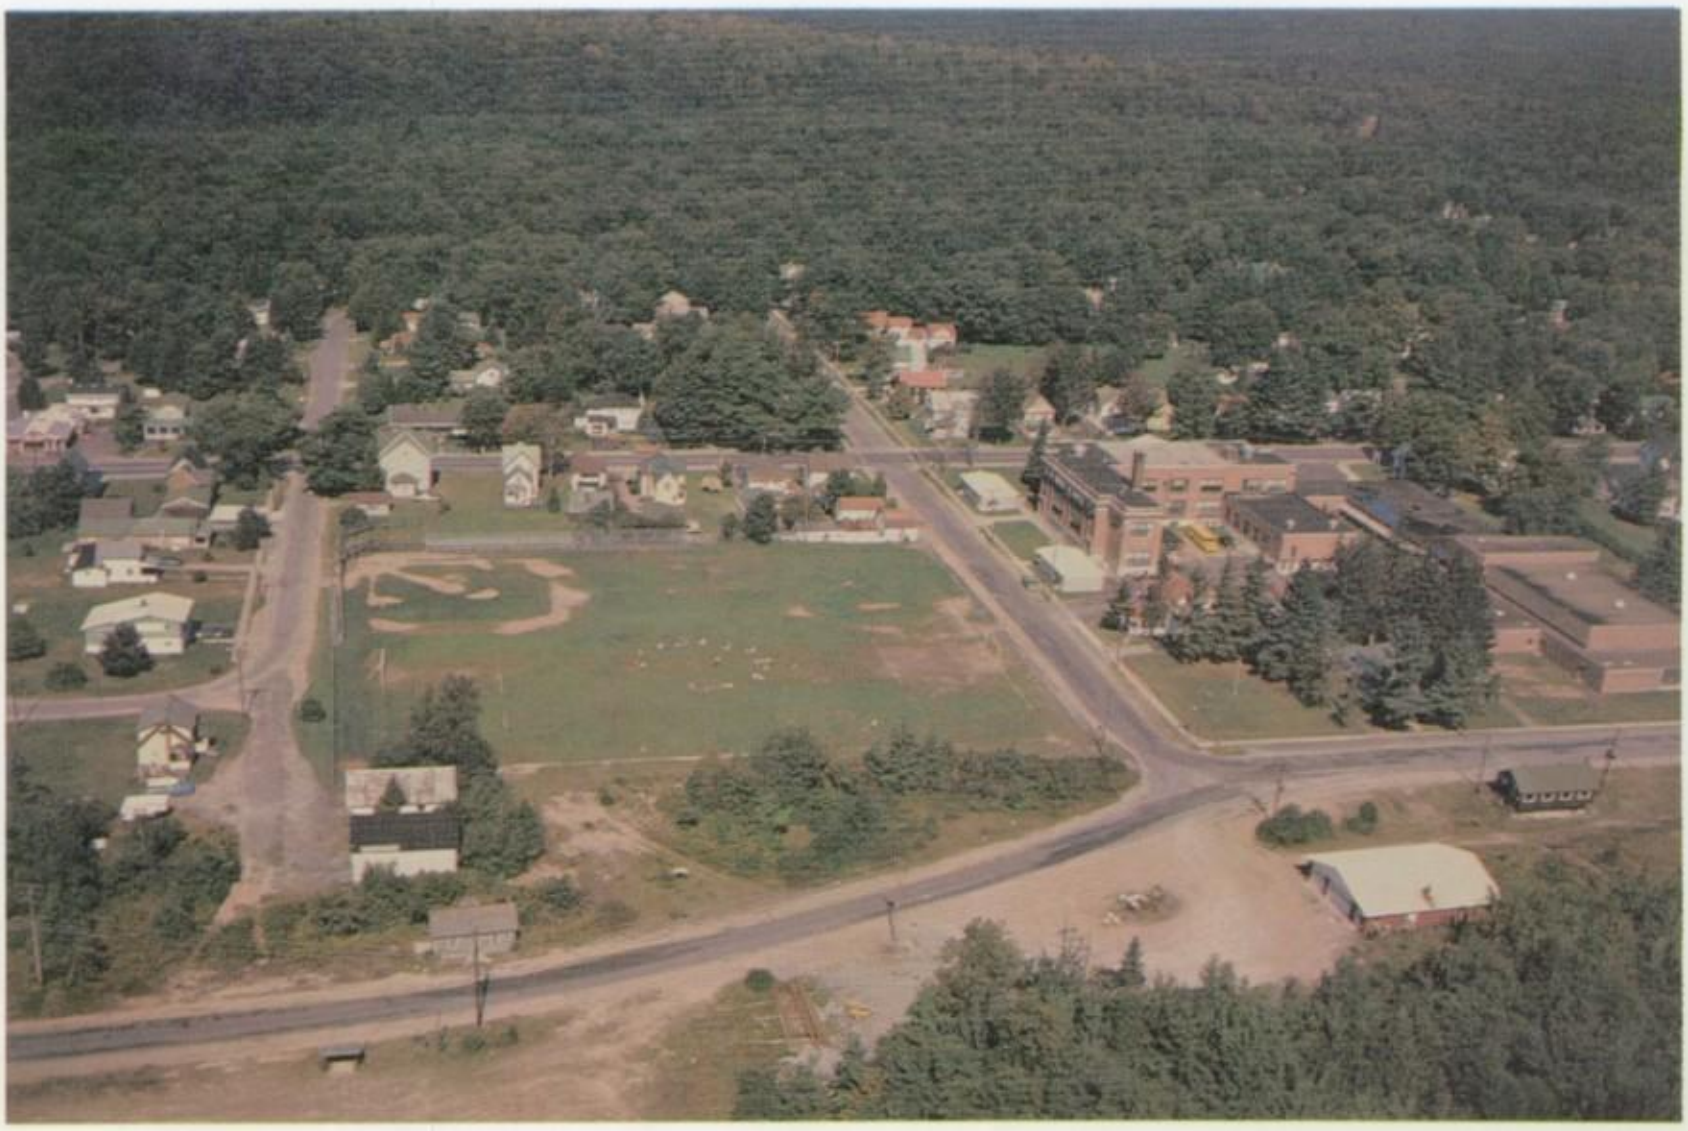
STOP
DANGER
LOWER
ANTENNA

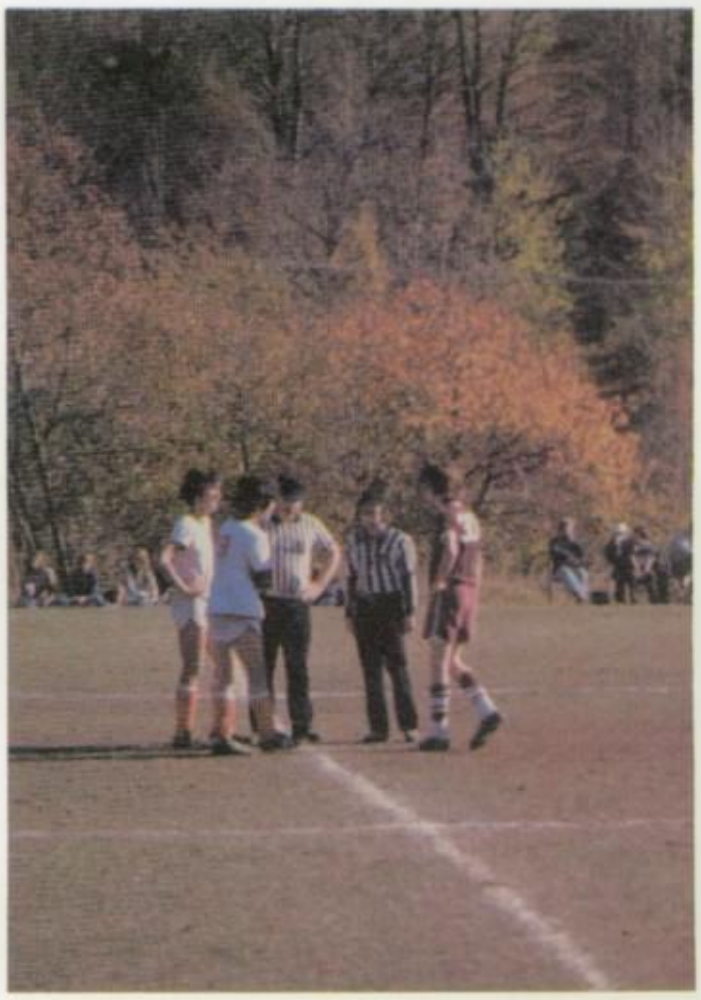




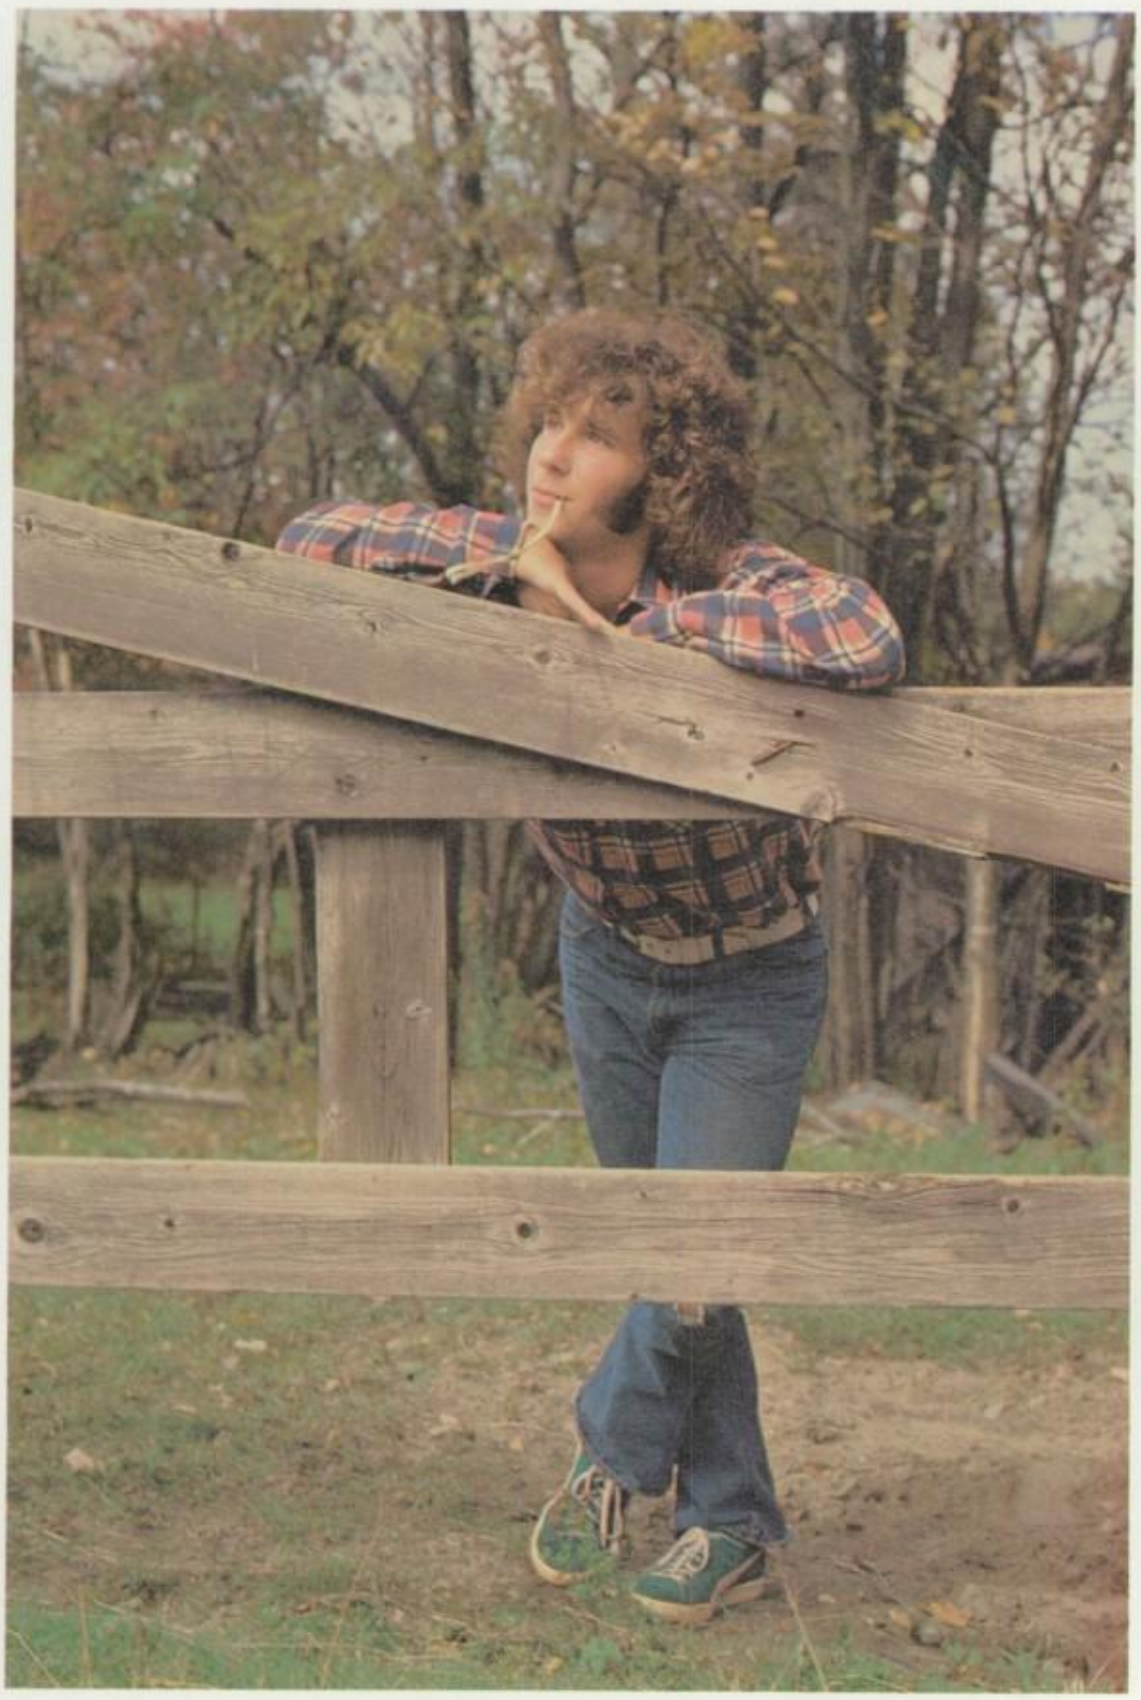
And life
was good
Better perhaps
Than ever again
might be





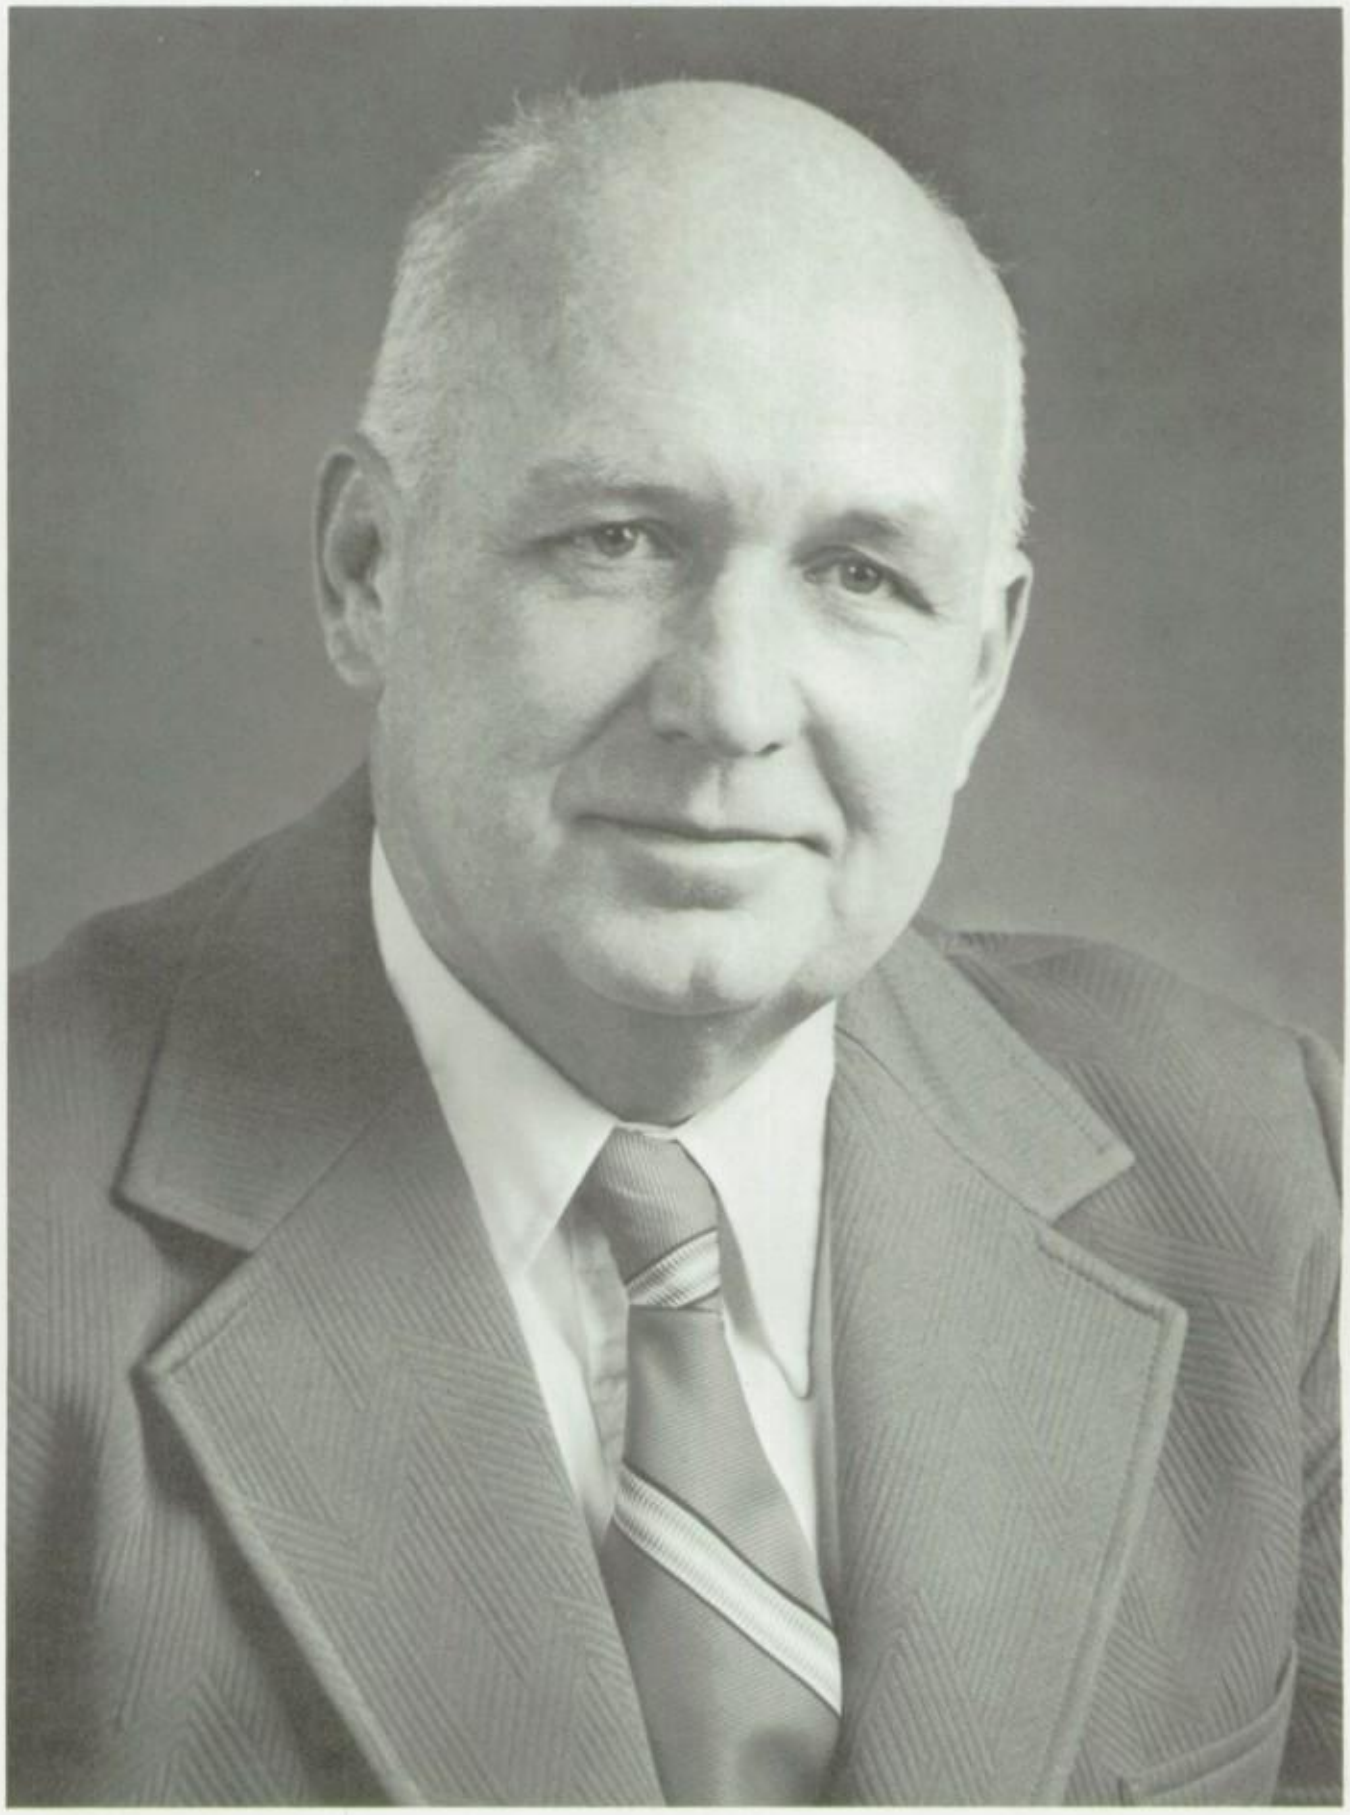


SLOW
CHILDREN



When again such friends
might visit me.

The Way It Was . . .



PRINCIPAL

Without Mr. Leach's help and guidance, our years in the Town of Webb Schools would not have been as rich and productive as those we have enjoyed.

We can realize and understand, to some degree the difficulty of an administrative job which demands a high degree of skill and ability in so many areas.

There is no question that our school would not be the good experience both socially and educationally were it not for its principal, Mr. John J. Leach.

Thank you, Mr. Leach.

DEDICATION

We the class of 1975 are both happy and proud to dedicate this, our 1975 Hadorondah, to Mrs. Marge Risley.

For almost thirty years Mrs. Risley has given of herself so that students of this school might emerge better men and women in every sense. For this we are deeply in her debt. Her part in the success of this school is great.

She is both a fine teacher and lady. Whenever the need to help is present Mrs. Risley is there. This school could not be what it is today without Mrs. Risley. Her smile, her spirit and her willingness to share are always there.

Thank you, Mrs. Risley.
